

English Language Academy Lead Teacher

Exceptional opportunity for an adventurous **first language English speaking educator/ESL teacher** to be on the ground floor of building a new exciting English Language Academy! The ELA will prepare prospective Ukrainian and Russian speaking students for school and teach adults – both Gospel centric. A Leader/Teacher is needed to develop and lead the Academy in **brand new** facilities in a great suburb of Kyiv, Ukraine at Kyiv Christian Academy. Begin in **February 2021** or as soon as you can arrive or start the ELA from where you are presently located. You will work with an experienced Supervisor, Nadia Povalinska, our Foreign Language Department chair. KCA is a safe and loving environment where teachers care for the whole child – body, soul, and mind. The school provides a monthly stipend beginning at \$500+ and teachers raise the remainder of their support through RCE-International or a mission agency of their choice. The cost of living in Ukraine is the lowest in Europe. *This could be your opportunity of a lifetime! Contact us with your resume.*

Elementary Teacher K-5

We seek **Enthusiastic Elementary Educators (whose first language is English) in 2020-21** who love kids and have a passion for teaching others to love learning and follow Jesus. Our K-12 school is ACSI accredited with English as the primary language of delivery. *KCA's small classes (8-15) permit a personalized English-speaking Christian Education where teachers "go the extra mile." Teachers have a sense of "calling" to a faith-based education of students minds and discipling of their hearts and inspires them toward a life of service to others.* Applicants should have a bachelor's degree, ACSI certification is preferred, international teaching experience is a plus. KCA teachers raise their own support through RCE-International, another mission agency, or personal support. KCA supplements support with a stipend of \$500+/month. The cost of living in Ukraine is the lowest in Europe. The brand-new 59,000 square foot school building provides an ideal environment to influence students spiritually and academically. *This could be your opportunity of a lifetime! Contact us with your resume.*

MS/HS English Teacher

SECONDARY (HS/MS) English Teacher for 2021-22 to work with a terrific team. Kyiv Christian Academy is ACSI and MSA accredited with English as the primary language of delivery. *KCA's small classes permit a personalized English-speaking Christian Education where teachers "go the extra mile." Teachers have a sense of "calling" to a faith-based education of students minds and discipling of their hearts and inspires them toward a life of service to others.* Applicants should have a bachelor's degree, ACSI certification is preferred, international teaching experience is a plus. KCA teachers raise their own

support through RCE-International, another mission agency, or personal support and can receive a stipend of \$500+/month. The cost of living in Ukraine is the LOWEST in Europe! A brand-new school facility provides an ideal environment to influence students spiritually and academically.

Director

Kyiv Christian Academy is seeking a Leader with Passion and Vision to serve as **Director** in a school full of potential and possibilities for program and ministry expansion and impact through a strong United States-style academic program. He/She must provide effective leadership and management in a Kindergarten – Grade Twelve school setting. The Director position provides opportunities to serve, lead, and relate to a diverse community of missionary, international, and national families; and a staff composed of internationals and nationals.

The successful candidate will have a Christian faith commitment; will fully-embrace the school's evangelical identity; and will understand and champion the mission and vision of the school. He/she will be an educational leader with at least five years of teaching or administrative experience; have earned a master's or doctoral degree; demonstrate English-language fluency; and master the United States-style and structure of education. The successful candidate will also be knowledgeable of and committed to a Biblically based philosophy of education and will qualify for "All Levels Principal" certification with the Association of Christian Schools International (ACSI). He/she will have also multi-cultural experience and demonstrate the capacity and disposition to adapt to school ministry in a multi-cultural context.

The preferred candidate will also have head of school leadership and management professional training and experience; be experienced in adaptation to living cross-culturally and ministering in a multi-cultural educational setting, including service in a school committed to the children of missionaries; and have some aptitude and experience in fundraising.

This is a paid position. Affiliation with a Mission Agency is encouraged.
