School CEEB code: 732965

DESCRIPTION OF KCA

Kyiv Christian Academy is a K-12, private, non-profit, international academic establishment which was founded in 1993. KCA partners with families to offer a quality education in the English language within the framework of a Biblical worldview. KCA is committed to educate the *Head* (mind), disciple the *Heart*, and inspire *Hands* of service in our students while providing a safe and caring environment. KCA is an encouraging community where education and Christ join together to encourage Christ-centered change in the world.

CURRICULUM

KCA uses a rigorous English language college preparatory curriculum from North America, with the following advanced courses

<u>Honors:</u>	<u>Advanced Placement:</u>
-English	-Calculus
-Russian	-Physics
-Pre-Calculus	-English
	-Biology

KCA also facilitates online classes through NorthStar Academy to provide students the opportunity to supplement course loads with an even more challenging level of education and earn additional AP credits. Dual credits are also accepted through approved colleges.

COMMUNITY

KCA is located in the Chaiky region of Kyiv, the capital of Ukraine, which has a population of approximately 3 million.

SPORTS

At KCA, students can compete in soccer, basketball, cross country, and track. Each year, KCA attends the invitational ICSB basketball tournament in Budapest. KCA is a member of the Kyiv Schools Sports League and is also a NCAA eligibility school.

FACILITIES

KCA moved to a brand new campus in 2019. The safety of students and staff is a priority. The campus is well designed with security enclosures surrounding the facility. The property is well lit, locked and a full-time guard is on the premises at all times. There is one main building consisting of elementary, middle and high school wings, playgrounds and sports field.

ACCREDITATION

KCA is accredited by the Association of Christian Schools International (ACSI) and Middle States Association of Colleges and Schools (MSA).

FOREIGN LANGUAGE

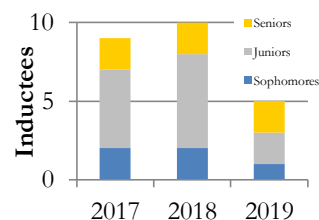

KCA students begin studying Russian in elementary school and most continue through twelfth grade. This early language exposure often enables KCA graduates to test out of their university language requirements, or to be placed in advanced levels. Many high school students also acquire a level of language proficiency that allows them to work as interpreters.

COMMUNITY SERVICE

KCA students are encouraged to actively serve our host community. Outreach opportunities give students a practical way to be involved in our host culture and to enhance their language acquisition. Through projects organized by Student Council, NHS, and Class Sponsorship, KCA is committed to serving the community.

NATIONAL HONOR SOCIETY

In 2007, KCA established a chapter of the National Honor Society with members and officers. This organization cultivates excellence in character, scholarship, leadership, and service.

COVID-19 RESPONSE

In **Spring 2020**, Ukraine closed all educational institutions on March 12, 2020, to prevent the spread of COVID-19. KCA responded with immediate transfer to online education for all core classes. Students who had passed elective classes in quarter 3, were given a pass for quarter 4. No final exams were given. There were no changes to the grading scale. Semester grades are factored into the overall GPA, per usual grading policy.

In **Fall 2020**, KCA began school on campus for all students. Students who must remain at home are able to continue to learn through the support of teachers using online learning platforms.
