

## Elementary Teacher K-5

We seek **Enthusiastic Elementary Educators (whose first language is English) in 2020-21** who love kids and have a passion for teaching others to love learning and follow Jesus. Our K-12 school is ACSI accredited with English as the primary language of delivery. *KCA's small classes (8-15) permit a personalized English-speaking Christian Education where teachers "go the extra mile." Teachers have a sense of "calling" to a faith-based education of students minds and discipling of their hearts and inspires them toward a life of service to others.* Currently, we have openings in second and fourth grades. Applicants should have a bachelor's degree, ACSI certification is preferred, international teaching experience is a plus. KCA teachers raise their own support through TeachBeyond (mobilization@TeachBeyond.org), RCE-International, another mission agency, or personal support. KCA supplements support with a stipend of \$500+/month.

## Middle School Social Studies/English Teacher

**Social Studies and English Teacher for 2021-22 to work with a terrific team.** Kyiv Christian Academy is ACSI and MSA accredited with English as the primary language of delivery. *KCA's small classes permit a personalized English-speaking Christian Education where teachers "go the extra mile." Teachers have a sense of "calling" to a faith-based education of students minds and discipling of their hearts and inspires them toward a life of service to others.* Applicants should have a bachelor's degree, ACSI certification is preferred, international teaching experience is a plus. KCA teachers raise their own support through TeachBeyond (mobilization@TeachBeyond.org), another mission agency, or personal support and can receive a stipend of \$500+/month.

**About KCA:** The cost of living in Ukraine is the lowest in Europe. For example, the average two-bedroom apartment rents for about \$400 per month. The area is clean, quiet, and safe. Kyiv is the hidden gem of Europe and has marvelous cultural attractions. The brand-new 59,000 square foot school building provides an ideal environment to influence students spiritually and academically. More than 10 acres of space makes it a gorgeous setting. The ministries parents are leading high impact ministries. *This could be your opportunity of a lifetime! Contact us with your resume.*
